

**LOWER SALFORD TOWNSHIP AUTHORITY
WASTEWATER TREATMENT PLANT OPERATOR**

The Lower Salford Township Authority located in Harleysville PA, is seeking a full-time licensed wastewater plant operator. Current PADEP Wastewater Treatment Plant Operator's License preferred, but not required.

The minimum requirement is a Class C, E, subclass 1, 4 PADEP Wastewater Treatment Plant Operator's License or the ability to obtain certification as a condition of employment.

The Authority operates two activated sludge treatment plants, pump stations and collection system. The position is responsible for the operation, maintenance and repairs of the treatment plants, pump stations and collection system to ensure an efficient and safe operation. Duties include monitoring and maintaining the wastewater treatment system to ensure compliance with specific regulatory standards and requirements.

Basic knowledge of mechanics, plumbing, electric, problem solving, and safety practices are preferred. Experience with Microsoft Office, SCADA, GIS and computer skills a plus. Must be able to work weekends and holidays on a rotating schedule. Valid PA driver's license required.

Compensation is commensurate with experience. A competitive benefits package including a defined contribution pension plan, fully paid medical/dental/vision for employee and family, long-term disability, short-term disability and life insurance is provided.

Send resume or work history to PO Box 243 Harleysville PA 19438 or email to lsta.sewer@lsta.sewer.org
