

BUTLER AREA SEWER AUTHORITY

OPERATOR II

The Butler Area Sewer Authority has an opening for an Operator at its 10.0 MGD Wastewater Treatment Plant (WWTP). This is a collective bargaining union position. Residency is not required but must be able to respond to callouts within 30 minutes. Main responsibilities include general operation and maintenance of the WWTP, lift stations, sewers, and heavy equipment operation.

Applicants must have a valid PA driver's license. A PA Wastewater Operator license is desired or the willingness to become a Certified Operator within one (1) year of employment. A high school diploma or GED equivalent is required. Must be able to perform the essential job functions with or without accommodation.

A competitive wage and benefits package, EOE employer.

Submit resume or application to: Duane E. McKee, Executive Director, Butler Area Sewer Authority, 100 Litman Road, Butler PA 16001-3256 or email to dmckee@basapa.org
